## From the desk of Karen Feit...

Yes, that is correct; I am going to try to do my best to "fill the shoes" of one of the most talented, 'decided to retire. So, I'm hoping you will get to know *US*, (my bus driver is also my husband, Tom), by traveling with us on some trips that we are planning. Just a little history of our "union" in this venture; on our "practice" run together to Branson this past November, he seemed to "have the wrong address" of where he was supposed to go. I, like the "dutiful" wife, (as I USUALLY am), walked to the front of the bus with two cell phones in hand. He said, "I know I'm lost, YOU don't have to tell me so!" Later, I had to explain to him, "*director*" comes BEFORE "*driver*" in the dictionary. I also had to tell him, "*This will be the protocol in this partnership, too!!*" Now, a little bit of "history" of how "RETIREMENT" lasted six months...We have been married for MANY years, have five children, all married; thirteen grandchildren and I retired from being a paraprofessional for seventh grade at Worthington Middle School and Tom has "turned over" the farming reigns to two young men from our area. So, if you see some 'changes' in trips, please, join us and get to know us...for a trip on *RIDE...the READING LINE TOURS*. Our motto continues to be: **THE BEST IS THE LEAST WE CAN DO FOR YOU!!!** Call: 507 370 1978 (or) 507 478 4260; Email: kfeitreadinglines@yahoo.com

**THE FEITS WILL BE "UNAVAILABLE"**

to reserve *YOUR* spot on our trips.

\*Make sure you contact *JODI* for *Branson* trip!
